

Further PETER'S February 23rd, 2019 Legacy

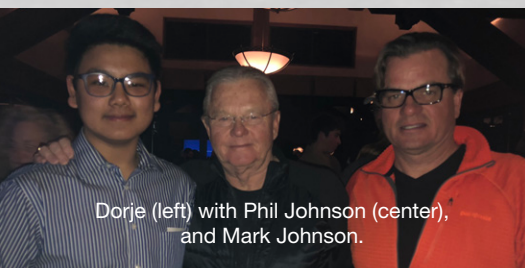

JOIN US

Saturday, February 23rd, 2019
Beaver Creek Resort

Join the Johnson family at Peter's home mountain, **Beaver Creek**, to once again celebrate Peter's love of life, skiing, and making a difference in the community.

Festivities will center around the 2019 Talons Ski Challenge for an event that all ages and ski levels can enjoy—ski, volunteer or just hang out! After conquering the Challenge, join us for an informal gathering near the finish line at Talons Deck to continue the fun.

HELP US EXCEED OUR GOAL

Last year, Team PJ raised over \$50,000 - 100% of which directly benefited SOS Outreach. Dorje, an SOS Youth Participant of 6 years, was awarded the 2018 Peter Johnson Legacy Community Leadership Award. This year, let's further the impact with a goal of **\$60,000**.

Combining Peter's passion for skiing and making a difference in the world we are partnering with SOS Outreach is a non-profit that delivers long-term life skills to youth through progressive outdoor programs. Learn more at www.sosoutreach.org
